⁴ At least three A-Levels results are required.

⁵ In case candidate does not have AS-Levels or A-Levels result from specific subject, admission committee may consider in qualification process candidate's result from maximum one GCSE subject specified in admission rules for the particular field of study. GCSE subject can be taken into account only in one column of the table with required subjects (it is not possible to indicate the subject twice).

⁶ At least two A-Levels results from the subject specified in admission rules for the particular field of study are required.
