<sup>3</sup> In case candidate does not have AS-Levels or A-Levels result from specific subject, admissions commission may consider in qualification process candidate's result from maximally one GCSE subject specified in admission rules for the particular field of study. GCSE subject can be taken into account only in one column of the table with required subjects (it is not possible to indicate the subject twice).

<sup>4</sup> At least two GCE A-levels results from the subject specified in admission rules for the particular field of study are required.
